Re: Eagle Communications, Inc.  
KFEQ (AM), St. Joseph, Missouri  
Facility Identification Number: 34419  
Special Temporary Authority

Dear Mr. Shorman:

This is in reference to the request filed May 18, 2011, on behalf of Eagle Communications, Inc. ("ECI"). ECI requests modification of the special temporary authority ("STA") granted June 18, 2009, and modified on November 24, 2010.<sup>1</sup> In support of the request, ECI states that it has filed an application for license based on a Method of Moments ("MOM") proof of performance.

Our review indicates that License Application BMML-20110511AHO was granted on July 19, 2011. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer  
Audio Division  
Media Bureau

cc: Eagle Communications, Inc.

---

<sup>1</sup> KFEQ is licensed for operation on 680 kHz with 5 kilowatts daytime and 5 kilowatts nighttime, employing different directional antenna patterns daytime and nighttime (DA-2-U).
